

16.5 Responsibilities of Unit Owners. If damage occurs to the Units, the maintenance and responsibility of which lies solely upon the respective Unit Owners, then each Unit Owner shall be solely responsible for all necessary reconstruction and repair to its respective Unit, which reconstruction and repair shall be effected promptly and in accordance with guidelines established by the Board of Directors. Each Unit Owner shall have the absolute responsibility of applying insurance proceeds, arising as a result of flood, fire or other casualty damage to the Unit, to the repair and/or reconstruction of such Unit; provided, however, that no Unit Owner shall have the responsibility of applying insurance proceeds to the repair and/or reconstruction of the respective Units if the Condominium is terminated in accordance with the provisions of Section 21 herein.

16.6 Benefit of Mortgagees. Certain provisions in this Section are for the benefit of mortgagees of Units and may be enforced by any of them.

### **Section 17: Condemnation**

Any condemnation of any portion(s) of the Condominium Property shall be governed by the following provisions:

17.1 Deposit of Certain Condemnation Awards with Insurance Trustee. Condemnation awards pertaining to the taking of Common Elements shall be paid over by each Unit Owner to the Insurance Trustee for use as noted hereinafter in this Section. In the event the Unit Owner fails to turn over such award as required, the defaulting Unit Owner shall be charged the maximum interest which does not constitute usury under Florida law until such amount is fully paid.

Condemnation awards pertaining to the condemnation of Units shall not be the property of the Association.

17.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for in Section 16 herein for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.

17.3 Disbursement of Funds. If the Condominium is terminated following a condemnation, the proceeds of the awards pertaining to the condemnation of Common Elements will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of any such awards shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty, or as elsewhere in this Section specifically provided.

17.4 Condemnation of Common Elements. Awards for the taking of portions of the Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed, after adjustments to these shares effected pursuant hereto by reason of the taking, to each Unit Owner by check made payable jointly to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Section 15.6(a) herein.

17.5 Condemnation of a Unit. If there is a taking of a Unit, the respective Unit Owner shall not be required to utilize any portion of the condemnation award with regard to reconstruction of its Unit. Following such taking of a Unit and the recording of a deed to the condemning authority, (a) the affected Unit Owner shall no longer have an ownership interest in its Unit or an undivided ownership interest in the Common Elements, and (b) such Unit Owner shall no longer be responsible for the payment of Common Expenses.

The following changes shall be made in the Condominium following a taking as described in this Section 17.5:

(a) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors.

(b) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This distribution shall be determined by taking the fractional share of each Unit Owner in proportion to the number of Units remaining in the Condominium.

(c) Assessments. In the event the Association does not have the funds necessary to alter the remaining portion of the condemned Unit for use as a part of the Common Elements, the additional funds for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

17.6 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by, and executed upon the direction of, a majority of all members of the Board of Directors.

### **Section 18: Occupancy and Use Restrictions**

In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions, in addition to the Rules and Regulations:

18.1 Occupancy. Each Unit shall be used as a single family residence only, except as may be otherwise herein expressly provided. The provisions of this subsection shall not be applicable to Units used by the Developer for model apartments, guest accommodations, sales or other offices or management services.

18.2 Antennae and Satellite Dishes. Satellite dishes, aerials and antennas and all lines and equipment related thereto located wholly within the physical boundaries of a Unit shall be permitted without any requirement for approval from the Board of Directors.

Satellite dishes, aerials and antennas shall not be permitted on the Common Elements except to the extent required to be permitted by applicable law (including, but not limited to, the Federal Telecommunications Act of 1996). The Association shall have the right and authority, in its sole discretion and from time to time, to promulgate rules and regulations concerning the size and location of and safety restrictions pertaining to the installation of satellite dishes, aerials and antennas and all lines and equipment related thereto which shall be permitted on the Common Elements.

Notwithstanding any provision to the contrary, the Association, in its discretion and from time to time, shall have the power and ability to erect or install any satellite dish, antenna or aerial or any similar structure on the Common Elements, provided that such satellite dish, aerial or antenna be solely utilized for the reception of television or radio signals to be utilized by the residents of the Condominium or for security purposes.

18.3 Specific Prohibited Uses. No sign, advertisement, notice or other lettering shall be exhibited, displayed, inscribed, painted or affixed in, on or upon any part of the Unit, Limited Common Elements or Condominium Property by any Unit Owner or occupant without prior written consent of the Developer for so long as the Developer owns any Units. The foregoing includes signs within a Unit which are visible from outside the Unit.
