

pursuant to this Declaration, or any other property adjacent to the Condominium Property, provided that any such easement shall not interfere with the reasonable use of the Units for residential purposes.

(c) Developer hereby reserves unto itself and its successors and its assigns non-exclusive easements over, upon, and through the Condominium Property for vehicular and/or pedestrian traffic by the Developer, its designees, successors, assigns, licensees, lessees, invitees, and guests within the Condominium Property, provided that any such easement shall not interfere with the reasonable use of the Units for residential purposes.

3.6 Incidental Damage. Any damage to any Unit caused by, or as a result of, the carrying out of the maintenance responsibilities of the Association or another Unit Owner, or the negligence thereof, shall be repaired promptly by the Association as a Common Expense, or the Unit Owner, as the case may be. Any damage to any part of the Common Elements caused by or the result of any intentional act of a Unit Owner, the Unit Owner's family, agents, contractors, invitees, licensees or tenants, or by such Unit Owner in carrying out his maintenance responsibilities, if any, shall be repaired promptly at the expense of such Unit Owner.

Section 4: Restraint upon Separation and Partition of Common Elements

The undivided share in the Common Elements and Common Surplus which is appurtenant to a Unit, and the exclusive right to use all appropriate appurtenant Limited Common Elements, shall not be separated from such Unit and shall pass with the title to the Unit, whether or not separately described. The appurtenant share in the Common Elements and Common Surplus, and the exclusive right to use all Limited Common Elements appurtenant to a Unit, cannot be conveyed or encumbered, except together with such Unit. The respective shares in the Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Condominium Property, or any part thereof, shall lie, except as provided herein with respect to termination of the Condominium.

Section 5: Ownership of Common Elements and Common Surplus and Share of Common Expenses; Voting Rights

5.1 Ownership Shares. The undivided share in the Common Elements and Common Surplus appurtenant to each Unit, as well as the undivided share of the Common Expenses to be paid with respect to each Unit, shall be computed on the following basis:

(a) The allocation of percentage shares in the Common Elements and Common Surplus, and the percentage share of the Common Expenses, appurtenant to each Unit is set forth in Exhibit No. 4 as attached hereto and made a part hereof by this reference. The allocation of percentage shares has been established by the Developer in the following manner:

(i) The approximate area of each Unit has been measured in square feet based upon the interior surface of the walls bounding the Unit, but excluding balconies, terraces, patios and porches. Such area for each such Unit is hereafter referred to as its "Unit Area."

(ii) The total of the Unit Area of all Units has been computed and is hereinafter referred to as the "Total Unit Area."

(iii) The Total Unit Area has been divided into the Unit Area of each Unit to determine the allocation of percentage shares for each Unit as set forth on Exhibit No. 4 to this Declaration.

(b) The foregoing methods of calculation were undertaken in order to establish a fair and equitable method of allocating sales values and assessment percentages to Units within the Condominium and every purchaser of a Unit, whether from the Developer or otherwise, hereby agrees to be bound by such calculations and hereby irrevocably waives the right to assert that the formula used or the measurements made were unfair, inequitable, or otherwise in error.

5.2 Limited Common Expense Exception. Certain Limited Common Expenses by their nature are more appropriately allocated on a per Unit basis as opposed to a percentage basis. The Board of Directors shall determine which expenses are to be allocated on a per Unit basis and budget and assess such expenses accordingly.

5.3 Voting. Each Unit Owner shall be a member of the Association. Each Unit shall be entitled to one vote to be cast by its Owner in accordance with the provisions of the By-Laws and the Articles of Incorporation. The total number of votes shall always be equal to the total number of Units submitted to condominium ownership pursuant to this Declaration. Membership in the Association shall automatically terminate upon the termination of ownership of a Condominium Parcel, and the subsequent Owner(s) taking title shall automatically become entitled to membership.

Section 6: Amendments

6.1 Amendment by Unit Owners. Except as otherwise provided in Section 6 hereinbelow or elsewhere in this Declaration or the exhibits attached hereto, this Declaration (including the Condominium Plat) may be amended by affirmative vote of the Owners of 75% of the total voting interests in the Association, such votes to be cast at an Association meeting duly called for such purpose pursuant to the By-Laws and at which a quorum is present; provided, however, that (1) no amendment to this Declaration shall be made which affects any of the rights and privileges provided to the Developer as defined herein without the written consent of such Developer, and (2) no amendment may change the configuration or size of a Unit without the written consent of the affected Unit Owner(s) and the lienholder(s) on such affected Unit(s). All amendments under this Section 6.1 shall be recorded and certified as required by the Act.

6.2 Amendment by Developer.

(a) Amendment to Condominium Plans and Declaration. The Developer reserves the right to make whatever changes it may deem necessary in the Condominium Plat and this Declaration until such time as 51% of the Units have been conveyed to third parties not related to or affiliated with the Developer. The amendment reflecting such changes need only be executed by the Developer; provided, however, that no such amendment unilaterally approved by the Developer shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the Unit Owner shares the Common Expenses and owns the Common Surplus, unless such amendment is also approved by at least a majority of the total voting interests of the Association.

(b) Special Amendment. Developer reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends the Declaration and any provision therein (i) to comply with requirements of the FNMA, FHLMC, the Government National Mortgage Association, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities; (ii) to induce any of such agencies or entities to make, purchase, sell, insure, guarantee or otherwise deal with first mortgages covering Units; and (iii) to bring this Declaration into compliance with applicable laws, ordinances or governmental regulations. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make or consent to a Special Amendment on behalf of each Unit Owner and the Association. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power of the Developer to make, execute and record Special Amendments. The right and power to make Special Amendments hereunder shall terminate on December 31, 2005.

(c) This Declaration and all exhibits hereto, where applicable, may be amended unilaterally by the Developer for the purposes set forth pursuant to Section 718.110(5), Florida Statutes, to correct scrivener's errors.

6.3 Amendment Pertaining to Stormwater Management System. Notwithstanding any provisions to the contrary contained in this Section 6, any amendment which will affect the stormwater management system, including the management portion of the Common Elements, serving the Condominium must have the prior written approval of the South Florida Water Management District in order to be effective and binding.
